# THE 20<sup>th</sup> VIETNAM FUN CUP CELEBRATES 20 YEARS OF RACING

## ABOUT THE EVENT

The Jibe's Fun Cup is an amateur windsurfing event held annually at Jibes Beach Club, Mui Ne, Vietnam. since 1999. Since the early days the popularity, support and riding discipline has increased tenfold.

The 2019 event will be something a little special, celebrating the 20<sup>th</sup> anniversary and bringing water sports enthusiasts from all over the globe to fight it out in the strong winds that Mui Ne has become renowned for.

The event will be spread over two days and is run from the Main Beach in Mui Ne, perfectly located amidst the heart of our tourist area and never fails to attract a lot of international and local media attention. This very location was also used to host the world famous PWA (Professional Windsurf Association) international event in 2011, proving that Mui Ne can confidently be confirmed as one the best windsurfing locations in the whole of Asia.

## HISTORY

The first event of its kind ever run in Vietnam was held at Victoria Resort in 1999 organised and run by Pascal Lefebvre (Director and owner of Full Moon Beach, Full Moon Village and Jibes Beach Club). Since the early days a 'Fun Cup' the event has been successfully held for each consecutive year with ever increasing popularity, prizes and standards.

Last year's event saw over 40 competitors made up of local and international riders, some travelling to Vietnam with the sole purpose of competing and hopefully securing themselves a place on the podium. Due to 2019 being the 20<sup>th</sup> anniversary, we expect a much bigger turnout with increased media coverage and a higher level of competition.

## DISCIPLINE

Slalom Downwind High Speed Race.

Markers: 4 Inflatable jibe markers are laid (not including start and finish markers), athletes will sail a downwind course – jibing around each marker only once.

The benefits of this style of racing guarantees fast paced action from start line with all competitors main goal to reach their maximum speeds as soon as possible, only decreasing to make their jibe turns. There will be two jibe markers closer to the beach giving all spectators the chance to see live close up action.

## CHARITY

One of the most successful elements of this event is that all proceeds are donated to a very meaningful and caring charity "The Anh Sang Orphanage for the Blind". The Fun Cup has been supporting local charities for more than 10 years and we hope that the 20th Anniversary will be a record breaking event especially where this charity is concerned. Guests who wish to donate to this charity can pay the competition entrance fee and get full competitor benefits but not actually take part in the racing, these guest will also be entered into the lucky draw held on the evening of the closing ceremony and prize giving.

## PRIZES

With the ever increasing popularity of this sport and in particular 'The Fun Cup', prizes just keep getting better and better. Last year's competitors were all in to win brand new Starboard windsurf boards, Severne Sails, Aeron Booms and accessories as well as a multitude of sponsors gifts ranging from high end luxury accommodation, Sea links green fees, hot air balloon rides, food and beverage vouchers to mention but a few. Although there is a tough competitive edge and all want their name inscribed on the famous Fun Cup trophy, there is strong emphasis on promoting a fun and friendly atmosphere bringing like minded people together to enjoy all that this competition has to offer. For this reason we run a lucky draw that includes all competitors and any other guests that wish to pay the competition entrance fee to help the Anh Sang charity but don't want to compete.

## PARTIES & EVENING EVENTS

The Fun Cup parties are not to be missed, just ask any of our previous competitors and supporters. We understand those you like to ride hard also like to play hard and that is why there is no expense is spared especially where after parties are concerned. Each competitor gets complimentary invites for themselves and their partner to both event parties. This year the end of the first days racing will be celebrated at amazing setting of 'Tropical Mini Golf'. Expect the finest BBQ'd delicacies from and around the local area, a few cold drinks to help replenish your energy levels. All set in the most beautiful gardens of 'Tropical Mini Golf'.

## CLOSING CEREMONY, PRIZE GIVING & BBQ PARTY

All athletes and their partners are also invited to join the end of event Ceremony, Prize giving, BBQ and Party held at Jibes Beach Club headquarters. This is an event all by itself with lots of entertainment from traditional Vietnamese dancing, live performances from the amazing musicians from The Anh Sang Orphanage, guest Dj's and musicians, all you can eat BBQ and free flow wine and beer until stocks last. Spectators and friends are all welcome to join this fabulous evening event for very minimal price, you can feel good that any proceeds from either party will also be donated to the Anh Sang Orphanage for the bind children.

## SPONSORSHIP

The Vietnam Fun Cup offers the perfect opportunity for companies to get involved and take advantage of the marketing options available for this type of event. There are a number of ways that sponsors can reach the audience through the different branding opportunities. Advertising options fall into the following categories:

### SAIL BRANDING

Windsurfing at a competitive level offers something very unique above all other water sports. Each and every competitor has his or her own perfectly positioned advertising billboard or more commonly known as the "sail".

This is the perfect advertising space for any sponsor looking to get their logo in one of the most prominent positions of the entire event.

### COMPETITOR BRANDING

By placing your branding on the competitors themselves is a guaranteed way to expose your company brand and specific logos.

Increase your exposure by placing your logos on key equipment both on and off the water, this ensures that sponsor names are visible to the crowds, the media and that they become synonymous with the 20<sup>th</sup> Fun Cup event.

### COURSE BRANDING

With a total of six markers set up throughout the course, by putting your logos in this prominent position will guarantee maximum coverage for your product or service. All markers can be branded for high impact promotion and sponsorship advertising. What better way to get your brand amongst the racing action.

### FIXED ADVERTISING

With a total of six markers set up throughout the course, by putting your logos in this prominent position will guarantee maximum coverage for your product or service. All markers can be branded for high impact promotion and sponsorship advertising. What better way to get your brand amongst the racing action.

There are also branding opportunities in the form of fixed advertising on site such as posters, banners, flyers and other promotional materials such as clothing products and other similar souvenirs.

Basic sponsorship doesn't have to cost a fortune, you can contribute in any way that feels suitable for you and your company. In the past we have had some great sample products and vouchers for our competitors and supporters. By supplying logo branded gifts/vouchers is an optimal way to focus on your chosen target area
